B. 5-Year Plan. Required for all PHAs completing this form.

B.1 Mission. State the PHA's mission for serving the needs of low- income, very low- income, and extremely low- income families in the PHA's jurisdiction for the next five years.

WHEDA's mission is to stimulate the state's economy and improve the quality of life for Wisconsin residents by providing affordable housing and business financing products.

The vast majority of the applicants to, and participants of, WHEDA's HCV program are very low-income and extremely-low income. Based on the composition of needy families in Wisconsin WHEDA has previously not been able to lease to the full baseline available in the portfolio. By wisely monitoring and using the funding available, WHEDA has been able to issue vouchers to more applicants therefore providing housing to more eligible families. With continued diligent management of the program and with the projected level of funding by HUD, WHEDA anticipates being able to continue to serve an increased number of participants.

B.2 Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income, very low-income, and extremely low-income families for the next five years.

WHEDA will continue to apply for VASH vouchers and implement the VA supportive housing (VASH) vouchers, project based VASH vouchers as necessary to support the development of supportive rental housing for disabled veterans.

WHEDA will continue to add vouchers to our baseline through Section 8 Contract Opt-Outs, RAD conversions and absorbing existing programs at HUD's request.

WHEDA will maintain High Performer status on the Section 8 Management Assessment Program.

WHEDA will continue to implement the new Elite software that has been acquired to improve voucher program process and monitoring and to streamline costs of the program by implementing all time and money saving components of the software.

WHEDA will continue to consult with our local agencies to ensure that payment standards are set in an affordable range while receiving the greatest impact from our subsidy dollars.

WHEDA intends to implement a Project-Based Voucher program to assist low-income, very low-income and extremely low-income families.

WHEDA has requested a waiver from HUD to be able to operate a Foster Youth Initiative voucher program to assist youth aging out of foster care.

The vast majority of the applicants to, and participants of, WHEDA's HCV program are very low-income and extremely-low income. Based on the composition of needy families in Wisconsin WHEDA has previously not been able to lease to the full baseline available in the portfolio. By wisely monitoring and using the funding available, WHEDA has been able to issue vouchers to more applicants therefore providing housing to more eligible families. With continued diligent management of the program and with the projected level of funding by HUD, WHEDA anticipates being able to continue to serve an increased number of participants.

B.3 | Progress Report. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

Goals

WHEDA will continue to add vouchers to our baseline through Section 8 Contract Opt-Outs, HUD VASH invitations, RAD conversions and absorbing existing programs at HUD's request.

Progress:

Since the 2015 Five-Year Plan WHEDA has increased the portfolio baseline from 2,285 vouchers to 2,536 vouchers. New vouchers have been received through HUD VASH invitations, Section 8 Opt-Outs and the transfer of other Housing Authorities portfolios.

Goal:

WHEDA will implement a Project-Based Voucher (PBV) program to assist low-income, very low-income and extremely low-income families.

Progress:

WHEDA currently has four PBV contracts which were obtained through a RAD conversion and a portfolio transfer. WHEDA has not implemented a PBV program due to funding restrictions and logistical issues. A PBV program is something that WHEDA continues to pursue and does hope to implement one within the 2020 Plan period.

Goal:

WHEDA will continue to consult with our local agencies to ensure that payment standards are set in affordable range while receiving the greatest impact from our subsidies.

Progress

Payment Standards are set annually at the highest amount recommended by WHEDA's local agencies. Funding is always taken into consideration, but it is imperative to WHEDA that our HCV participants are not paying more than necessary for housing while still living in a decent, safe and sanitary home.

B.4	Violence Against Women Act (VAWA) Goals. Provide a statement of the PHA's goals, activities objectives, policies, or programs that will enable the PHA to serve the needs of child and adult victims of domestic violence, dating violence, sexual assault, or stalking.
	It is Wisconsin Housing and Economic Development Authority's (WHEDA) policy to act in accordance with the Violence against Women Act (VAWA) and to work with those to whom the act applies. At the time of application and at each Annual Reexamination each family receives a VAWA certification form, an Information Sheet and an explanation of the program at the time of voucher issuance. The certification gives the applicant or participant the opportunity to inform WHEDA's agent of his/her status as a victim of actual or threatened domestic violence and give WHEDA's agent to make proper decisions based on the information. All such disclosures will be dealt with in utmost privacy with the safety of the applicant or participant the primary issue. Since the inception of VAWA there have been several participants that have expressed an interest in learning about the Act but at this time no one has taken advantage of its protections. WHEDA's agents continue to educate our clientele and work with participants as they ask for information to determine how to use the protection the Act offers to the benefit of the families.
٠	Description of activities, services or programs offered, directly or in partnership with other service providers, to child or adult victims of Domestic Violence, Dating Violence, Sexual Assault or Stalking: Neither WHEDA nor its contracted agents offer direct services to victims of domestic and dating violence, sexual assault or stalking. All families receive VAWA information and forms at their program briefing, incoming portability, annual recertifications and and the end of their participation in the program. Landlords are also provided the information with the HAP contract paperwork. All cases of domestic violence, etc., are referred to the local domestic abuse centers and if clients want to file police reports they can do so from contracted agencies' offices if it makes them more comfortable.
	Description of activities, services or programs offered, directly or in partnership with other service providers, which help child or adult victims of Domestic Violence, Dating Violence, Sexual Assault or Stalking to obtain or maintain housing: Applications for the Housing Choice Voucher program are available at local domestic violence centers, homeless shelters and at local supportive agencies. Contracted agents collaborate with these organizations to work with clients needing help with referrals from transitional housing, assistance moving to an alternative unit, evictions and leasing questions and discussing housing options. Agents also work with other forms of assistance such as TBRA, Rapid Rehousing and the United Way.
	Description of activities, services or programs offered, directly or in partnership with other service providers, to prevent Domestic Violence, Dating Violence, Sexual Assault or Stalking or to enhance victim safety in assisted families: WHEDA's contracted agents have found that referrals to local support organizations have proven to be successful. Agents work closely with area domestic violence advocates to educate the community about protections offered by VAWA. They have participated in local trainings and have resources and materials available to program participants, landlords and the public.
B.5	Significant Amendment or Modification. Provide a statement on the criteria used for determining a significant amendment or modification to the 5-Year Plan.
,	A Significant Amendment or Deviation to WHEDA's Plan would be a change to the admission policies, such as beginning to use a preference (a homeless preference was implemented in Brown County in July 2018) or no longer admitting applicants off the waiting list on a first come – first served basis. Requesting Payment Standard below the threshold of 90% of FMRs or reducing the current Subsidy Standards would also be considered deviations.
	Resident Board Member. WHEDA is organized and existing pursuant to Chapter 234, Wisconsin Statutes as a public body corporate and politic. Section 234.02 provides that there are 12 Members of WHEDA. Together the Members function as a board. The statutes provide that four of the Members are state legislators, one is the Secretary of Administration or designee, one is the Chief Executive Officer of the Wisconsin Economic Development Corporation or designee, and six are Public Members appointed by the Governor with the advice and consent of the Senate. There are no vacancies on the Board of Members. WHEDA understands that 24 CFR Part 964 Subpart E requires us to add a resident to our Board of Members but is pursuing and exemption to the regulation. In lieu of a Resident Board Member WHEDA has attempted to establish a Resident Advisory Committee consisting of fourteen members. Due to a lack of response to Resident Advisory Committee nominations, WHEDA has designated all heads of household as Board members. The Annual Resident Meeting will be held following the Public Hearing.
B.6	Resident Advisory Board (RAB) Comments.
	(a) Did the RAB(s) provide comments to the 5-Year PHA Plan?
	Y N
	(b) If yes, comments must be submitted by the PHA as an attachment to the 5-Year PHA Plan. PHAs must also include a narrative describing their analysis of the RAB recommendations and the decisions made on these recommendations.
	No comments were received from the RAB.

B.7 Certification by State or Local Officials.

Form HUD 50077-SL, Certification by State or Local Officials of PHA Plans Consistency with the Consolidated Plan, must be submitted by the PHA as an electronic attachment to the PHA Plan.
